Samba Contactless Payment – It's Fast and Easy!

Introducing your new Samba MasterCard® Contactless Credit Card which will allow you to make payments of up to AED 100 without entering your PIN or signature.

It's Quick   : Simply tap the Contactless terminal when requested with your Samba Contactless Card to complete your purchases IN SECONDS

It's Simple : No need to carry cash, wait for change or even enter your PIN or sign the receipt

It's Secure : Your Samba Contactless Card is protected so you can feel confident when using it to make your purchases. Just remember, for all purchases below AED 100 you will not be asked for your PIN or signature but for amounts above this limit, the card will always revert to normal and ask you to confirm payment with your PIN or signature.
A. How do I make a Contactless payment?

Always look for the Contactless logo when paying and tap your card against the terminal when requested to pay
B. Using my Contactless Card in the UAE

In the UAE you can pay for all your purchases below AED 100 by simply tapping your card as it will not ask you for your PIN or signature. However, for amounts above AED 100, the card will always ask you to confirm the purchases by entering your PIN or signing the terminal receipt.

C. Using your Contactless Card overseas.

You can use this card at any Contactless terminal worldwide. The amount that you can purchase in a 'Contactless Mode' can vary depending on the local limits set in the country that you are in.

Points to Note:

• Paying with your Samba Contactless Credit Card may differ around the world. Please be aware that some places may have limits on the amount that can be purchased in Contactless mode. Some places may allow Contactless transactions and also request for a PIN for the purchase to be authorized.

• For extra security, you may also occasionally be asked to insert your card and enter your PIN or sign.

• You Samba Contactless Credit Card still has all the regular features of a not-contactless card and hence you can continue to use this card by simply inserting or swiping the card and authorizing the purchase with a PIN or signature.
