ABOUT US

Samba is the premier provider of financial services in Saudi Arabia and one of the largest financial services groups in the Middle East. The bank provides a comprehensive range of world class products and services, both conventional and Islamic, for private, corporate and institutional customers.

For over 50 years, Samba has been a leading industry innovator, achieving many firsts in the industry and playing a major role in the modern transformation of banking in Saudi Arabia. It has also grown from being a Saudi bank to an international bank, completing 20 years of prosperous, banking activities in London and expanding its network across the region with the launch of Samba Bank Limited (formerly known as Crescent Commercial Bank Limited) in Pakistan and Samba Dubai, a QFC License in Qatar and a Foreign Institutional Investor (FII) License in India.

MILESTONES

TRULY
PRIVILEGED
BANKING

At the heart of each Samba private banking relationship is a seasoned Samba Private Banker, your dedicated private banker, and a proven master in the art of personal banking and wealth management.

- Your dedicated private banker understands that it is not just about growing your assets or balancing your portfolio, it is about helping balance your life and focus on life's other precious priorities.
- That's why the dedicated private banker is totally committed to your financial goals and is constantly at your service, 24 hours a day, anywhere you are, commanding world-class resources that he can deploy with the deft touch and admirable discretion of a seasoned expert. All it takes is a phone call, or a fax to make him turn your every requirement into action.

TAILOR-MADE SOLUTIONS FRAMEWORK

At Samba Dubai, our open architecture wealth management platform means that we do not restrict ourselves to internal products. Instead we have access to diverse asset classes and internationally renowned asset managers which allow you the flexibility and choice of various asset classes and investment opportunities, which combined with your individual needs and goals, can result in a customized wealth management strategy for you.

Fund Solutions

Benefit from the investment expertise of global asset management firms with international repute and operations. Participate in the growth story and investment opportunities across the world by accessing diverse asset classes like Global Equities, Emerging Market Equities, U.S. Equities, Europe Equities, Commodities, Hedge Funds, Bond & Money Market Funds and many more.

Estate Planning

Creating and preserving wealth through effective estate planning may also be one of your important considerations for long-term financial planning. Sometimes, financial and personal goals may not be in sync and meeting both can be a challenge, especially because they are so intertwined. An ideal solution to achieving many goals simultaneously is a singular strategy - estate planning which provides you the flexibility and choice of long-term investments while creating a wrap of capital preservation, death benefits & nominee appointment and wealth transfer facility.

Capital Protected Products

Structured products are investment instruments that can be designed to match risk or return profile. For example, hedging risk, diversification, or enhancing yields. Structured products can also be tailored to suit a variety of market conditions. Whether your goal is capital growth, income or capital preservation, Samba offers structured solutions that can meet your requirements. Samba Market Linked Investments are an efficient way to take indirect exposure to equity, fixed-income, commodities and alternative investments, while ensuring the safety of the principal.
